

A bald eagle is perched on a dark, horizontal branch, facing right. The eagle has a white head and neck, a yellow beak, and dark feathers on its body. The background is a misty, dark forest with tall evergreen trees. The overall tone is somber and atmospheric.

Don't be a parrot
in life, be an Eagle

A parrot talks way too
much but can't fly high
but an eagle is silent &
has the power to touch
the sky
